EF C&A

Distinguished President of EF2023,
Distinguished EF C&A,

based on the decision of the qualified majority of delegates at the 71° annual multiple district convention held on 19-21 May 2023 in Rimini,

Given that the aims of the Europa Forum are to provide an open context for the exchange of ideas, knowledge, mutual understanding and friendship, to promote humanitarian service activities, common programs and objectives of Lions Clubs International in the European multicultural society;

Whereas it is in the interest, not only of the Italian Lions, that the maximum involvement of members be solicited and encouraged in such an important international event, not only in terms of participation, but also with regard to proposals of topics and service initiatives, and that the results of the Forum do not remain confined within this event but have the maximum dissemination among the members belonging to the Districts of the constitutional area;

Given the above, the Association of Lions Clubs International – MD108 ITALY herewith officially proposes to the Europa Forum Council to adopt the following:

RESOLUTION

The Lions of MD108 ITALY urge the European Council to:

- 1. Take every initiative that is useful and necessary for determining the best possible dissemination in Districts and clubs of themes and initiatives subject of Europa Forums and other international Lions events;*
- 2. Take every initiative that is useful and necessary for allowing the largest possible participation of Lions members in said events;*
- 3. Take every initiative that is useful and necessary for ensuring, also to Lions members that are not able to attend Europa Forums, the knowledge of what is discussed during said events, as well as the initiatives presented and resolutions passed.*
